Dear Josh,

Inga and I just got back from a  
vacation in La Paz, Baja California,  
where I was surprised to discover the  
WESTEX brand of toilet paper in our Hotel  
room. - Under separate cover, I'm sending  
you a roll for your edification. -  
Perhaps this is a trick to discredit the  
work of our committee?

STUNT, G.S.

Best regards to you and Esther  
from yours  
Guenther
